Dear Customer, This is our 28th Year, and once again we are holding our Annual Bedding Plant Sale (incl. pre-ordered collections) and delivery service. This has continued to be a huge success over the years thanks to your generous support and we hope that we can count on you support again this year.

The plants are from our professional local grower, who we have been using since 1995, and have always proved to be of a high quality and have always offered excellent value for money.

A **Delivery Service** is available again this year. However, there is a nominal fee of £1.00 for those orders under £20.00.

In addition, we will continue to offer the option of pre-ordering your plants for **Collection** from the Group's head quarters on **Saturday 29th April, 2023** - Please note, should you chose this option, collection should be made between **1000 and 17.00 hrs.**

If you would like to pre-order your plants for collection in person or for delivery by the Group, please indicate this when completing the order form overleaf. Otherwise, we look forward to seeing you at the 'One day' Sale on Sunday the 30th April, 2023.

NB : Stock for the sale will be limited.

Many Thanks for your support.

Karen Hesketh, Group Scout Leader
