**Dear Customer,** This is our 29th Year, and once again we are holding our Annual sale of Bedding Plants (incl. pre ordered collections) and delivery service. This has continued to be a huge success over the years thanks to your generous support and we hope that we can count on you support again this year.

The plants are from our professional local grower, who we have been using since 1995, and have always proved to be of a high quality and have always offered **excellent** value for money.

A **Delivery Service** is available again this year. However, there is a nominal fee of £1.00 for those orders under £20.00.

In addition, we will continue to offer the option of pre-ordering your plants for **Collection** from the Group's head quarters on **Saturday 4th and Sunday 5th May 2024** - Kindly note, should you chose this option, collection should be made between **1000 and 17.00 hrs.**, please, unless otherwise specifically requested.

If you would like to pre-order your plants for collection in person or for delivery by the Group, please indicate this when completing the order form overleaf. Otherwise, we look forward to seeing you at the 'One day' Sale on Sunday the 5th May, 2024 - doors open from 1300hrs.

NB : Stock for the sale will be limited.

Many Thanks for your support.
